

Sustainability & Quality: Superb 4+1 bedroom villa with pool and sea views

Lagoa, Carvoeiro

This newly built turnkey project comprises a 2,000 m² plot as well as a 4 + 1 bedroom villa with heated pool and a built area of 300 m² (+ 98 m² basement); it offers beautiful sea views from the terrace on the first floor. This new smart home and well thought-through project with a high level of details guarantees an easy life with a maximum of life quality and leaves nothing to be desired - it is also an ideal investment with fantastic sea views. The construction has already been completed.
